

CURRICULUM VITAE

OBJECTIVE: To work in a conducive academic environment aimed at research and teaching sound concepts of statistics and mathematics without compromising academic ethics.

PERSONAL DETAILS:

Name : **Dr. Hosenur Rahman Prodhani**
Qualification : M.Sc., Ph. D (Statistics)
Father's Name : Dr. Bokul Hoque Prodhani
Date of Birth : 25-05-1998
Passport No : AK 319924
Category : General
Sex : Male
Marital Status : Unmarried
Nationality : Indian

Contact Address

Dr. Hosenur Rahman Prodhani

Assistant Professor

Department of Statistics

B.N. College (A)

Dhubri-783324, Assam, India

Contact Number: +91 9678483846

E-mail: hosenur72@gmail.com

Permanent Address

Dr. Hosenur Rahman Prodhani

S/O: Dr. Bokul Hoque Prodhani

Village- Boro Ravatary Pt-1

P.O: Ravatary, PS: South Salmara

District-Dhubri (Assam)

Pin-783127, India

Educational Qualifications:

Sl.No.	Examination	Year of Passing	Institution	Division	%age	Subjects
1.	Ph.D.	2026	Assam University	Topic: On generalized Sujatha distributions and their applications		
2.	M.Sc.	2021	Assam University	I st	75.00	Statistics
3.	B.Sc. (Hons)	2019	Gauhati University	I st	69.00	Statistics (Hons) Mathematics & Physics as Subsidiary
4.	Intermediate (12 th)	2016	AHSEC	I st	70.80	Eng, Assamese, Math, Phy., Chem., & Bio.
5.	Matric (10 th)	2014	SEBA	I st	72.16	Eng, Assamese. General Science, Social Science, Math & Wood craft

Language Preferences:

English	Read	Write	Speak
Assamese	Read	Write	Speak
Hindi	Read	Write	Speak
Bengali	Read	Write	Speak

Research Interest:

1. Distribution Theory
2. Statistical Inference
3. Reliability and Survival Analysis
4. Bayesian Statistics
5. Biostatistics/Medical Statistics
6. Computational Statistics

Educational Honors and Awards:

1. Minority Scholarship from Class VIII TO XII and in M.Sc.
2. Anundoram Borooah Award-2014

Undergraduate Statistics courses taught:

1. Probability distribution
2. Applied Statistics
3. C programming
4. Descriptive Measures
5. Linear Algebra

Teaching Experience: (Total 5 Months):

Sl. No.	Designation	Institution	Period		Subjects / Topics
			From	To	
1.	Assistant Professor of Statistics	Department of Statistics, B.N. College (A), Dhubri	March, 23, 2026	Till date	Teaching under graduate courses in Statistics
2.	Guest Lecturer	B.Sc. Nursing College, Silchar	August, 01, 2022	November 30, 2022	Statistics

Research Publication:

Published Papers

8. **Prodhani, H. R.** and Shanker, R. (2024). Weighted Pratibha distribution with properties and applications, *Biometrics & Biostatistics International Journal*, 13 (2), 52-57, **eISSN: 2378-315X**, published by [MedCrave Group](#)
7. **Prodhani, H. R.** and Shanker, R. (2024). A three-parameter power Sujatha distribution with properties and application, *International Journal of Statistics and Reliability Engineering*, 11 (1), 70-78, **ISSN: 2456-2378**, published by Indian Association for Reliability and Statistics.
6. Shanker, R., Baishya, J., Ray, M. and **Prodhani, H.R.** (2023). Power Uma Distribution with properties and Applications in survival analysis, *Journal of XIDIAN University*, 17(12), 849 – 860, **ISSN:1001-2400**.
5. Shanker, R., Ray, M., and ***Prodhani, H.R.** (2023). Power Komal distribution with properties and Application in reliability engineering, *Reliability: Theory & Applications*,18 (4(76)), 591-603, **ISSN: 1932-2321**, published by [Gnedenko Forum](#). **IF: 0.44**
4. Shanker, R., Soni, N.K., Shanker, R., and **Prodhani, H.R.** (2023). A New Quasi Aradhana Distribution with Properties and Applications, *Journal of XIDIAN University*, 17(11), 472 – 493, **ISSN:1001-2400**.
3. Shanker, Ray, M., and **Prodhani, H.R.** (2023). Weighted Komal distribution with properties and Applications, *International Journal of Statistics and Reliability Engineering*, 10(3), 541- 551, **ISSN: 2456-2378**, published by Indian Association for Reliability and Statistics.
2. Shanker, Zakariya, A.F.M., M., and ***Prodhani, H.R.**, and Ray, M., (2023). Weighted Uma distribution with properties and Applications, *Journal of XIDIAN University*, 17-10, 830-846, **ISSN:1001-2400**.
1. **Prodhani, H. R.** and Shanker, R. (2023). On some statistical properties and applications of three-parameter Sujatha distribution, *Reliability: Theory & Applications*, 18 (3 (74)), 514-527, **ISSN: 1932-2321**, published by [Gnedenko Forum](#), **IF: 0.44**

Communicated/ Accepted Papers

1. Soni, N. K., Shanker, R., Shanker, R., and **Prodhani, H. R.** (2025). Three-parameter power Aradhana distribution with properties and applications, **(Communicated)**
2. Soni, N. K., Shanker, R., Shanker, R., and **Prodhani, H. R.** (2025). Three-parameter weighted Aradhana distribution with properties and applications, **(Communicated)**

Current Research Activities

1. Lifetime Distributions, their mixtures, generalizations and applications in various fields.

Seminars/Conferences Attended and Paper Presented:

1. National Seminar on measures of socio-economic deprivation (Data requirements and its relation with policy formulation for better governance) on 24th -25th March, 2022 organized by the department of Statistics, Assam University, Silchar.
2. One day international webinar on “Current stat of econometrics and career prospects of young minds” on 12th September, 2022 organized by department of Statistics, Central university of Rajasthan in association with research club, Department of Statistics on the birth anniversary of Late Prof. V. K. Srivastava.
3. A Paper entitled “**Exponentiated Sujatha distribution and its applications**” presented at the Eight International Conference on Statistics for Twenty-first century-2022 (ICSTC-2022) held at Department of Statistics, University of Kerela, Trivandrum, India, December, 16-19, 2022.
4. A paper entitled “**On three-parameter Sujatha distribution and its applications**” presented in the International Conference on knowledge discoveries on statistical innovations & recent advance in optimization (ICON- KSRAO) held at Department of Statistics and Population research center, Andhra University, Visakhapatnam, India, December, 29-30, 2022.
5. A paper entitled “**Weighted Komal distribution with properties and applications to model failure time data from engineering**” in the 7th International Conference on “Recent Advances in mathematical Sciences and its Applications (RAMSA-2024)” Organised by the Department of Mathematics, Jaypee Institute of Institution of Information Technology, Noida, India during February 29 - March 02, 2024.
6. A paper entitled “**A Generalized Quasi Sujatha Distribution with Properties and Applications in Engineering**” in the International Conference on Innovative Trends in Statistics, Optimization and data science (IC-ITSODD-2024) Organized by Department of Statistics and Operation Research, Kurukshetra University, Kurukshetra, Haryana, India-136119 during December 21-23, 2024.
7. A paper entitled “**Size-biased Sujatha distribution with Properties and Application**” in Two-day Conference on Mathematical Science and Applications (An International

Conference in Hybrid Mode) organized by Department of Mathematical Sciences, Tezpur University, Tezpur, Assam, India -784028 during January 2-3, 2025.

Workshop Attended

1. Two-day workshop on soft skill development for post graduate students on 13th -14th November, 2019 organized by the department of Computer Science, Assam University, Silchar.
2. 7-Day training programme on Machine Learning Algorithms using Python for beginners on 16th-22th of January, 2023 organized by the department of Statistics, Assam University, Silchar
3. One day Workshop on Ayushman Bharat Scheme Evaluation (ABSE) in Assam State on 9th of February, 2024 organized by the department of Statistics, Assam University, Silchar.
4. One Day workshop on data analytics with special reference to “Meta Analysis” on 18th of March, 2024 organized by the department of Statistics, Assam University, Silchar.
5. Two-day workshop on data analysis using python on 17th -18th March, 2025 jointly organised by Department of Statistics, Assam University, Silchar and SQC & OR Unit, Kolkata, Indian Statistical Institute.

Teacher Training Programme

1. The National Education Policy 2020 Orientation & Sensitization Programme (MMC-005-2024-APR-B01486) on **Indian Knowledge system** under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) organized by under Malaviya Mission Teacher Training Center, Assam University, Silchar, from 18th - 30th April, 2024.
2. The National Education Policy 2020 Orientation & Sensitization Programme (MMC-005-2024-MAR-A-02651) on **Higher Education and Society** under UGC-Malaviya Mission Teacher Training Centre, Assam University, Silchar, from 25th September to 5th October, 2024.

Reviewers of Research papers in Journals

1. Model Assisted Statistics and Applications
2. Scientific African

Technical Skills

- **Statistical Computing & Software:** R, RStudio, SPSS, MS Excel, Maple
- **Statistical Programming & Data Analysis:** R programming, statistical simulation, computational methods, regression analysis, probability and distributional modelling
- **Scientific Writing & Documentation:** LaTeX, Microsoft Word
- **R Package Development:** Package development, documentation, testing, and CRAN submission
- **Version Control:** Git/GitHub

Professional Strengths:

1. **Effective leadership and teamwork:** Ability to lead and collaborate effectively in academic and professional environments.
2. **Self-motivated and proactive:** Ability to conceptualize, implement, and continuously improve academic and research initiatives.
3. **Strong communication skills:** Ability to communicate ideas clearly and effectively in academic and professional settings.
4. **Problem-solving and analytical skills:** Strong ability to analyze problems and develop practical and effective solutions.
5. **Time management and adaptability:** Ability to work effectively under pressure, manage multiple responsibilities, and meet deadlines.

Hobbies:

1. Reading
2. Home gardening and farming
